**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

**THE POLLS WILL BE OPEN
FROM 10:00 A.M. TO 6:00 P.M.**

To the Inhabitants of the Town of Wakefield in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Wakefield on Tuesday, the Tenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. Are you in favor of the adoption of the Amendment to the Building Permit Ordinance proposed by the Planning Board that mobile homes, modular homes, and trailers intended as dwellings must comply with Town and State regulations applicable to conventional types of housing unless a variance may be permitted by the Planning Board?

Article 3. Are you in favor of the adoption of the Amendment to the Building Permit Ordinance proposed by the Planning Board that the type and construction of septic tanks, drainage fields, sewage systems, or any waste disposal system must conform with State and Town requirements? State requirements shall be considered minimal. Town requirements may be more stringent.

Article 4. Are you in favor of the adoption of the Amendment to the Building Permit Ordinance proposed by the Planning Board that the Planning Board shall have the authority to deny a building permit for any repair or construction deemed detrimental to the public interest? In case of denial, an appeal may be made to the Board of Ad-

justment consisting of five members which have been appointed by the Board of Selectmen in accordance with RSA 31:66 and 31:67.

Article 5. Are you in favor of the adoption of the Amendment to the Building Permit Ordinance proposed by the Planning Board that mobile homes must meet requirements set by Federal law enacted in 1974 and effective in 1976. Such mobile homes are identified by a seal from H.U.D. and are attached to the structure?

Article 6. Shall we adopt the provisions of RSA 72:62 for a property tax exemption on real property equipped with a solar energy heating or cooling system, which exemption shall be in the amount of \$3,000.?

Article 7. Are you in favor of the Selectmen adopting an ordinance against bathing animals in the Town's lakes? In accordance with RSA 147:1-2.

Article 8. To see if the Town will vote to change the fiscal year from January 1 to December 31 to July 1 to June 30. (By petition).

Article 9. To see if the Town would vote to adopt the provisions of RSA 105:9 which reads as follows:

"The Selectmen upon application of any person or persons desiring to conduct a public dance, carnival or circus, shall detail one or more police officers to attend the same, whose services shall be paid for by the applicant. No person or persons shall conduct such public dance, carnival or circus unless one or more police officers are in attendance. Whoever violates the provisions of this section shall be guilty of a misdemeanor." (By petition.)

You are hereby notified to meet in the Town Hall in said Wakefield on Saturday, the fourteenth day of March, next, at seven of the clock in the evening to act upon the following subjects:

Article 10. This Article is in addition to Article 2 in the 1977 Town Warrant which raised \$5,000. for this Study:

“To see if the Town will raise and appropriate the sum of \$4,500. and appropriate the sum of \$18,000. (State Funds) for a total of \$22,500. for the purpose of preparing a facilities plan on sewerage and sewerage treatment for the Town of Wakefield, which are requirements contained in the Federal Water Pollution Control Act as amended, (33 U.S.C. 1251 et seq.) for the low lying areas of Sanbornville and Union. This will qualify the Town for Federal Funds under and in compliance with the provisions of the Municipal Finance Act (N.H. RSA 33:1 et seq. as amended). The additional cost of the study and plan is estimated at \$90,000. The Federal Government contributes 75% and the State reimburses the Town with 20%. The estimated cost to the Town is \$4,500. and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program.” (Approved by Budget Committee.)

Article 11. “To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the State, or any city, town or governmental unit of the state to five percent. (By petition.)

Article 12. To see if the Town will vote to raise and appropriate the sum of \$173.65 to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages, as well as preservation of the natural resources of the town, in cooperation with other towns in the Lakes Region. (Not approved by Budget Committee.)

Article 13. We, the undersigned, hereby petition the Town of Wakefield, N.H. to: Raise the sum and to appro-

priate the sum of eight thousand dollars (\$8,000.) to start construction of School Street, starting at the New England Telephone Office, and continuing up the hill, consisting of under-drainage and catch basins, to go as far as the monies will allow. (Submitted by petition.) (Approved by Budget Committee.)

Article 14. To see if the Town will vote to appropriate the sum of \$11,068. of Additional Highway Subsidy money to be spent equally on Old Stage Road, Canal Road and Jug Hill Road. (Approved by Budget Committee.)

Article 15. To see if the Town will vote to raise \$1,098.34 and appropriate \$7,322.25 which will be contributed by the State (T.R.A.) to continue work on Witchtrot Road. (Approved by Budget Committee.)

Article 16. To see if the Town will vote to appropriate and authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the use as set offs against budget appropriations in the amounts indicated; and further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or take any other action hereon.

APPROPRIATION	ESTIMATED AMOUNT
Trailer for Highway Department	\$5,000.00
Town Officers' Salaries	7,000.00
Town Officers' Expense	2,000.00
Town Hall Expense	11,000.00
(Approved by Budget Committee)	<hr/> \$25,000.00

Article 17. To see if the Town of Wakefield will vote to raise and appropriate the sum of \$5,000. to expand the facilities of the Gafney Library in the basement. This would be for education, leisure hours of constructive nature for everyone, where it is now a wasted area. (Submitted by petition.) (Not approved by Budget Committee.)

Article 18. To see if the Town will vote to raise and appropriate the sum of six thousand nine hundred and eighty-nine dollars and sixty-seven cents (\$6,989.67) for a new cruiser for the Police Department. (Approved by Budget Committee.)

Article 19. To see if the Town will accept as a Class V Highway, a half mile section on Access Road. This road was built to state specifications and is in good condition. There are at present, six residences on Access Road, three of which are year round, the remainder seasonal. (By Petition.) (Not approved by Budget Committee.)

Article 20. To see if the Town of Wakefield will vote to raise and appropriate the sum of four thousand dollars (\$4,000.) for the Center of Hope, Inc. This total reflects services for eight residents at \$500. per person. (By petition.) (Without recommendation of Budget Committee.)

Article 21. To see if the Town will vote to exempt the Provisions of RSA 654:8 and RSA 654:9 which will eliminate the Town Clerk as an authority for accepting applications for the voter registration and leave the sole authority for accepting applications for voter registration to the Supervisors of the Check List.

Article 22. Are you in favor of an Elderly Housing Complex being built in the Town of Wakefield?

Article 23. Are you in favor of a Low-Income Housing complex being built in the Town of Wakefield?

Article 24. Are you in favor of passing an ordinance preventing toxic waste of any kind to be dumped in the Town of Wakefield?

Article 25. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the purchase of a lot on the Sanborn Road for the future construction of a fire sub station. This land being that portion of Lot #39 on Tax Map

#56, situated between and bounded by Lot #37 and Lot #38. This lot has approximately 33,000 square feet, being 96 feet wide on the road, 270 feet deep bordering Lot #37 and 227 feet deep bordering Lot #38. This action is subject to approval by the Planning Board. (By petition.) (Approved by Budget Committee.)

Article 26. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to resurface and tar that part of Bonnyman Road between the tarred road at Province Lake Store and the tarred hill at Point Road, a distance of approximately 1,000 feet. Prior to commencement of said work, a portion of these funds will be utilized by the Town counsel to resolve all legal aspects that could prevent the accomplishment of this road improvement work. Also to install one culvert and tar the hill of said Bonnyman Road at the Southwesterly side of the Prince Property or as far as the appropriated funds will allow. This Article is to replace the \$3,000.00 raised and appropriated at the annual Town meeting in March of 1980, which was not spent on said road but was placed in the Town General Fund. (By petition.) (Disapproved by Budget Committee.)

Article 27. To see if the Town will vote to raise and appropriate \$8,000.00 as compensation for a Town Administrator for the balance of 1981 and authorize the Selectmen to search for and employ a Town Administrator whose duties will specifically be defined by the Selectmen but will in general be to have general responsibility for the properties and business affairs of the Town. The Administrator may or may not be a resident of the Town and shall be qualified by holding an accredited degree in Public Administration or by having had a minimum of Two (?) years experience in such a position. (By petition.) (Approved by Budget Committee.)

Article 28. To see if the Town will vote to raise and appropriate the sum of \$482,694.57 to defray Town Charges as submitted by the Budget Committee.

Article 29. To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary to pay Town bills in anticipation of taxes.

Article 30. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 16th day of February, in the year of our Lord nineteen hundred and 81.

AUDITOR'S OPINION

Board of Selectmen
Town of Wakefield
Town Office
Sanbornville, New Hampshire 03872

Members of the Board:

We have examined the financial statements of the Town of Wakefield for the year ended December 31, 1978, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records as we considered necessary in the circumstances.

The Town of Wakefield has not maintained a record of its general fixed assets and accordingly, a statement of general fixed assets required by generally accepted accounting principles, is not included in the financial statements.

In our opinion, except for the effects of the omission of a statement of general fixed assets, as discussed in the preceding paragraph, these financial statements present fairly the financial position of the Town of Wakefield at December 31, 1978 and the results of its operations and changes in financial position for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with the preceding year.

The accompanying supplemental information is not necessary for a fair presentation of the financial statements, but is presented as additional analytical data. This information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above and in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

GAFNEY LIBRARY, INC.

Under a Federal Grant, and along with six area libraries, we received Audio-Visual material consisting of a filmstrip projector, slide projector, and cassette players. Our Building Fund for the use of this Audio-Visual equipment is progressing slowly. We are hoping to soon start making plans for an All-Purpose Room in the basement.

We have purchased a new set of World Book Encyclopedia, bought with funds received from the raffle of an afghan made and donated by Hazel MacBrien, former librarian.

Samuel Paul, our Town Representative on the Board of Trustees for many years, died this summer; and Titia Bozuwa has been appointed to fill his position.

Barbara Winton, our Librarian, resigned in December, after serving for six years.

The Bookmobile came twice this year, leaving us 1,121 books.

The total circulation for the year was 17,512 books. We processed 641 new books this year; included were 264 from Reading Enrichment Co., Inc., hardcover and paperbacks for young adults.

Library hours are: Tues. 1:00 to 7:00, Thurs. 1:00 to 5:00, and Sat. 11:00 to 4:00.

UNION VILLAGE LIBRARY

The Union Village Library, although small, has had a busy year.

Hobby month was observed with different exhibitions each week. National Library Week was celebrated by keeping the Library open every day. A special day was held for the school children at which time the Trustees awarded prizes for the most appealing poster about books

publications. The Bookmobile has discontinued its service to small libraries but the State Library is very helpful in supplying any special requests.

Library hours are as before - Wednesdays from 2 to 5 p.m.

and the Library. Each one received a hand made bookmark and refreshments, also. We enjoy the visitations of the school children and appreciate the cooperation of the Teachers.

The Congregational Church Women's Fellowship once again sponsored a Reading contest. The Church has a history of Library interest as the Library was in the old Chapel for many years with no rental charge.

The Bookmobile visited us three times and we appreciate this service.

We have added 202 volumes this year to our collections through purchasing and gifts. We are extremely grateful to all our friends and Gafney Library for their donations of books and magazines. Paper backs are very popular with us and we have approximately 200 in circulation at present. Our circulation for the year was 4,431. Two Reference books were purchased in memory of former Postmaster and Friend of the Library Winburn Dudley.

Trustees are Marion Nason, Chairman, Eleanor Eastman, Treasurer, Priscilla Fox, Winifred Nason, Martha Pratt and Blanche Wentworth Honorary Trustee.

We are open Monday 7-9 P.M.; Wednesday 2-5 and 7-9 P.M.; every other Monday 1-2:30 for the school children.

1980 REPORT OF THE PLANNING BOARD

Regular meetings were held on the last Thursday of the month. Informal meetings were called at other times for information and consultation regarding current state legislation, judicial decision, and briefings by representatives of the Lakes Region Planning Commission.

During 1980, 107 applications for building permits were received, 105 permits were granted. Permit and subdivision fees totalling \$635. were turned over to the Town general fund as was \$40 in penalties for violations of the building permit ordinance.

To reduce fire, health and fraud hazards, the Board proposed amendments to the building permit ordinance which in turn were placed on the ballot voted March 10.

Federal law enacted in 1974 states that beginning in 1976, all mobile homes shall be constructed according to specifications that reduce fire and health hazards, which thus grants a measure of protection to those who buy, lease, or rent mobile homes. The Town in turn reduces the likelihood of an increase in sub-standard housing.

Community growth without a degree of control threatens the quality and amount of water supply. The Board, for this reason, has adopted that state requirements in this regard, shall be considered minimal.

With the consent of the developer, Ernest Belleau, and the Planning Board, the Lakes Region Planning Commission obtained a grant from the National Science Foundation. This paid for the services of six professionals in related fields to make an intensive environmental survey of the forty-five acre area in East Wakefield which the owner and developer proposed for subdivision.

The Lakes Region Planning Commission has also benefitted the Town in rendering opinions on proposed sub-

sidized housing developments on land lying between Witchtrot Road and Old Route 16 (now 16-B).

With the cooperation of the Lakes Region Planning Commission and the Planning Board's and Selectmen's approval, seven Wakefield citizens are giving time and effort to develop a master plan as mandated by the state. A comprehensive questionnaire distributed to all tax paying residents last spring was designed to give them a broad view of the town's needs and its citizens' opinions. A master plan recommends a set of goals on this basis and is to be submitted to the town's voters for their approval. John Hraba heads this group which is called the Wakefield Citizens Planning Advisory Committee. His fellow workers are: Al Amundsen, Ray Ayers, Titia Bozuwa, John Bowker, Betty O'Brien and George Searle.

It has been said that "The future is not some place we are going to, but a place we are creating." With the townspeople's guidance and consent the Planning Board hopes it can help in creating that future in accordance with the town's needs and desires.

NOTICE

Leash Law

As per your vote of November 4, 1980, regarding RSA 466:30-a, it shall be unlawful for any dog licensed or unlicensed to be running at large in the Town of Wakefield. This will take effect as of January 1, 1981.

WAKEFIELD POLICE DEPARTMENT — 1980

The goals set by the Department for 1980 were to upgrade the Training of the members, expand the Communication system to meet increased activity, and to concentrate efforts to stem the growing tide of crimes committed by Juveniles and young people who consistently activate our statistics.

A total of 774 hours have been spent by Department members at the New Hampshire Police Standards and Training Council, and hundreds of hours at various Seminars increasing their knowledge of Drugs, Rape Crises, Child Abuse, Bomb Threats and Photography. Their proficiency in these areas are reflected in the achievements of the Department during the year.

Our Communication system was expanded to include Wakefield in the Carroll County system at no cost to the Taxpayers. The growth of activity necessitated the expansion, and phone stickers were distributed to facilitate the change.

The mutual respect and cooperation of State, County and Local Departments has contributed to more and better law enforcement for our Town.

COMMUNITY RELATIONS

A Committee was formed through this Department to explore a home or work farm for Juvenile Delinquents.

Members of Department made time available to lecture various groups and schools on:

- a) Drug Abuse
- b) Child Abuse
- c) Spouse Abuse
- d) Bicycle Safety
- e) Gun Safety
- f) Crime Prevention

FISCAL RESPONSIBILITY

Despite unpredictable rising costs, a cautious eye has been kept on expenditures. A concern of the Department has been to provide full police service without unduly burdening the Taxpayers. Careful budgeting and personal sacrifice by all members have resulted in quality enforcement at minimal costs reflected in a surplus, detailed below.

INCOME GENERATED TO

TOWN GENERAL FUND:

1. Police Insurance Report Fees	\$ 520.00
2. Pistol Permit Fees	184.00
3. Gasoline Tax	728.00
4. N.H. Probation Dept.: Restitution for Damage to Police Cruiser	71.85

Sincere thanks to the members of the Department, the citizens of the community, and other Law Enforcement Agencies, whose cooperation has been most beneficial to the Town.

My personal thanks to Mr. Twombly for notifying me last night that this report was due today.

Respectfully submitted,
CHARLES E. SULLIVAN
Chief of Police

WAKEFIELD AREA AMBULANCE CORPS

The Wakefield Area Ambulance Corps successfully completed 124 calls in 1980. This reflects a drop in ambulance useage from 1979 when there were 150 calls. The lack of snow resulted in fewer calls to Moose Mountain and fewer traffic accidents.

While at one point last summer the Corps was down to 3 active members, an Advanced First Aid & Emergency Training course was held in October and November, resulting in 6 additional licensed members. All are registered through the State of New Hampshire. Several C.P.R. courses are offered through the course of the year. The Corps holds a free blood pressure clinic the first Wednesday of the month at the Town Hall and many residents avail themselves of this service. The Wakefield Area Ambulance Corps members receive no compensation.

Actual miles traveled were 3,979 with an average length of run 32 miles.

Respectfully submitted,
LOUISE GERARD
Deputy Director

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town / city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town / city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

1. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.
2. To choose agents and committees in relation to any subject embraced in the warrant.
3. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the District.
4. To see if the District will vote to raise and appropriate in addition to the original appropriation for 1980-81 the sum of thirty thousand dollars (\$30,000) to be made available to the school district prior to July 1, 1981 in order to meet unanticipated obligations caused by Special Education expenditures. Said appropriation of thirty thousand dollars (\$30,000) will be partially offset by five thousand dollars (\$5,000) of State Special Education funds. (Combination Deficit and Supplemental Appropriation - submitted without recommendation by the Budget Committee)
5. To see if the District will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) as a portion of the total voted appropriation for the 1981-82 fiscal year and a sum of money not to exceed thirty-five thousand dollars (\$35,000) from the unencumbered balance at the end of the 1981-82 fiscal year. Said sums of money to be deposited in a capital reserve fund in accordance with the provisions of RSA 35 for the purpose of financing all of or part of the cost of a multi-purpose facility. (By Petition)

6. To see if the District will vote to raise and appropriate in addition to the original appropriation for the 1980-81 fiscal year, a sum of thirty thousand seven hundred and eleven dollars (\$30,711) to be made available to the School District prior to July 1, 1981 in order to meet Special Education costs on which the State of New Hampshire has indicated they would default. (By Petition)
7. To see if the District will raise and appropriate funds in the amount of four thousand five hundred dollars (\$4,500) (twenty-five dollars (\$25.00) per day) for a late bus to and from Spaulding High School for the purpose of extra curricular activities and extra help in academic subjects. Specific guidelines concerning time, number of students that will be participating, and where the bus will discharge the students will be drawn up by the Wakefield School Board. (By Petition)
8. To see if the District will authorize the School Board to make application for and to receive and expend, in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or state agencies and/or other sources.
9. To transact any other business which may legally come before this meeting.

Given under our hands at said Wakefield this 18th day of February 1981

WAKEFIELD SCHOOL DISTRICT TOWN REPORT

ANNUAL MEETING OF THE WAKEFIELD SCHOOL DISTRICT

The Wakefield School District annual meeting reconvened on Saturday March 22, 1980, at 1:30 P.M. at the Town Hall, Sanbornville. The meeting was called to order by the Moderator, Nicholas Littlefield. The invocation was given by Rev. Kratz Leatherman. The Pledge of Allegiance was lead by the Moderator.

Article 1 was read. Mrs. Olimpio requested that three non-residents, Superintendent Clough, Attorney Kidder and Mr. Buckley be allowed to speak if called upon. This was unanimously approved.

Article 2 was read.

Article 3 was read. The Moderator stated that there would be a secret ballot for an item in the budget relating to two additional school rooms and when this item was reached it would be passed over until Mrs. Olimpio had completed a line item passing. Mr. Clough stated that the figure of \$598,677 is the sum which reflects a momentary removal of the \$79,751. which involves the two room addition to the school. Mrs. Olimpio moved that she be permitted to go through the budget line by line, seconded by Mr. James J. Keating, unanimously carried.

Mr. Traudt stated that it was the prerogative of the assembly to move to go through the budget line by line, seconded by Mr. Searle and after discussion and a vote by a show of hands, the motion was carried by the majority present. Mrs. Olimpio preceeded to go through the budget line by line. The budget as read was approved.

Mrs. Olimpio then went back to the one line regarding the addition of two rooms for the Paul School. She explained the amount of \$79,751. as follows: \$50.00 for

projected land site if needed; \$1.00 for rental if we ever had to lease some space - this was to keep the account line open; \$77,000. for a two room addition to the Paul School and \$2,700. for operation thereof. This item was now to be voted on by secret ballot.

The Moderator appointed Messrs. Henry Blanton, Stephen Traudt, Paul Schwatka and Robert St. Cyr ballot clerks and they were sworn in by the Moderator.

After discussion, the Moderator decreed the polls would be open for the length of time it took for everyone to vote who so desired. The polls opened at 2:45 P.M. After everyone appeared to have voted, the Moderator asked if anyone else who had not yet voted wanted to vote. There was no response. Upon motion made by Rev. Ralph Demaree, seconded by Carl Johnson, to close the polls, the motion was unanimously carried and the polls closed at 3:30 P.M.

The ballot clerks counted the ballots and the results were as follows:

Votes in favor of the school addition -	129
Votes in opposition to the addition -	118

It was asked if there could be a recount. The Moderator stated that the votes had been counted twice, the clerks who counted the "yes" votes then counted the "no" votes and vice versa, and the Moderator declared the amendment had passed in favor of the two room addition. Mrs. Olimpio made a motion that the school budget total now be declared to be \$678,377., including the \$79,751. for the two room addition, the motion was seconded by Mr. Keating. A vote was taken by a show of hands and the "ayes" were in the majority.

Article 4 was read. Mrs. Olimpio moved for the passage of Article 4, seconded by Mr. Keating. No discussion - a vote was taken by a show of hands and the "ayes" were in the majority.

Article 5 was read. The Moderator announced the results of the voting of school district officers on March 11, 1980.

The Moderator read a petition regarding the study of the feasibility of having a high school in Wakefield. There was a great deal of discussion, and it was moved by Mr. Paul Doran that a feasibility study for either a Wakefield High School or a Regional High School in Wakefield be undertaken. It was seconded by Mr. Richards and voted upon by a show of hands. The "ayes" carried the vote.

There being no further business to come before the meeting, upon motion made by Mr. Traudt, seconded by Mr. Richards and unanimously carried, the meeting adjourned at 4:00 P.M.

Respectfully submitted,
MARGARET SCIROCCO
School District Clerk.

REPORT OF THE PRINCIPAL

The Wakefield School District has employed the following new faculty members in the 1980-1981 school year:

Marilyn Avery	Grades 1 & 2 Union School
Elizabeth Dower	Grades 3 & 4 Union School
Sharon Mittelman	Grade 1 Paul School
Barbara Aiken	Grade 2 Paul School
Marianne VanDyke	Grades 7 & 8 (Math)
Cathy Koukal	Grade 6
Kathryn Wright	Grade 6
Kathleen Knox	Special Education
Linda Erbacher	Special Education Aide
Sheila Kinville	Title I Teacher (Federally funded Reading Program which is shared with the town of Milton)

The building addition, which was constructed this summer, has done much to solve our immediate regular classroom space needs. We presently have only one classroom over populated, as defined by New Hampshire State Minimum Standards, as compared to five overcrowded rooms during the prior school year.

Two major areas of concern which arose this year were teacher compensation and special education. The Wakefield School Board appointed two committees to research these issues and to make recommendations to the board accordingly.

I would like to extend particular thanks to the many volunteers who have given their time and efforts to our school system, and the dedication and cooperation of our faculty, Superintendent and School Board.

Respectfully submitted,
JOHN D. BUCKLEY
Principal

ment of a physical education program, the addition of part time positions in art and music and increasing the guidance position to full time. The evaluation placed the Wakefield School District in category III which means that the School has complied with 80% of the State Minimum Standards for Elementary Schools.

Special Education continues to emerge as a particularly significant challenge to local school districts across the Nation as a result of such Federal laws as Public Law 94-142, Section 504 of the Civil Rights Act and in New Hampshire, State Law RSA186:A. During the course of the past several years, the Wakefield School District has attempted to meet its obligations in this particular area. However, the financial responsibility which the District has been forced to assume for these programs is rapidly growing into an awesome burden for the local property taxpayer. The problem is not new to American society and will not be dealt with effectively until the Federal and State Governments cease to mandate programs and then leave the funding for said programs to local communities. In the case of Special Education programming, Federal law requires the Federal Government to pay 40% of the costs while actual appropriations total on 10%. As this report is being written, the State Legislature is attempting to deal with a 5.4 to 6 million dollar deficit in the State's excess cost funds for such programs. In the event that the Legislature is unable to fulfill its financial commitments to local communities it will reflect a continuing trend and force school districts to reconsider their commitment concerning continued support for such programs. In order to develop efficient programming for children with special needs, the Federal and State Governments should cease in their attempts to mandate social change. Cooperative planning among adjacent communities and financial incentives for local school districts to creatively develop more comprehensive indistrict programming represents a few of the long overdue amendments to present Federal and State law. Amendments to the law must occur if we are to develop appropriate, manageable cost effective programs.

The Wakefield School District transports its high school pupils to Spaulding High School in Rochester under the provisions of an AREA Agreement. The chart below shows the number:

Grade	9	10	11	12	Total
Pupils	26	30	26	18	100

The School District also provides specialized education programs for the following numbers of pupils at the locations cited below:

- 1 pupil each at Great Bay School, Spaulding High School, Manchester Program for the Deaf, Wakefield Community Kindergarten, Landmark School and Kingswood High School.
- 5 pupils at Strafford Learning Center's TIP Program
- 4 pupils at Wolfeboro Area Children's Center
- 2 pupils at Strafford Learning Center's Northern Cluster Pre-school

In August, 1980, I requested the State Department of Education to conduct an evaluation of all Elementary Schools in School Administrative Unit #44 in order to determine our present state of compliance with the State Department of Education's document entitled, Approved New Hampshire Elementary Schools, K-8. The purpose of this request was to utilize State Department services to obtain information which we could use as a point of reference at the local level in determining educational goals for the system. The State Department among other recommendations, suggested a thorough examination of present library services with particular attention being given to space and staff. Additional recommendations included the establish-

The reader will note that there is an article included in the warrant to see if the District will vote to authorize the establishment of a Capital Reserve Fund for the specific purpose of ultimately financing all of or part of the cost of a multi-purpose room facility. I support this article as it addresses one of the critical needs of the school system and in my opinion, the entire community. While the Capital Reserve Fund approach allows the school district to reduce the inevitable cost of construction and hence, reduce the impact of the tax rate on such a venture, I would point out to the voters of the District that for an additional modest amount, the facility could be constructed much sooner through the voting of a bond issue.

From my vantage point, as we focus on the ensuing school year I believe the school system should be addressing the following areas: 1) continuing the emphasis on local decision making and problem solving begun through the formation of a School District Special Education study committee this past year, 2) further research concerning the possibility of cooperative Special Education programming with adjacent communities, 3) the importance of the report submitted by the Compensation Committee and 4) continuing to address the need of a multi-purpose room facility.

In closing, on behalf of the School Administrative Unit #44 Central Office staff, I wish to express our continued appreciation to the members of the School Board, the principal, the teachers and citizens for the cooperation exhibited and progress achieved this past year. We look forward to a long and productive relationship in which our mutual goals will continue to be the best possible education for our young people.

**WAKEFIELD SCHOOL DISTRICT
HEALTH REPORT
1979 - 1980**

The 1979-80 school health screening program included height-weight measurement, and vision and hearing assessment on all students grades 1-8. Students in grades 5-8 were screened for scoliosis, a condition that results in spinal deformity. All students were given an opportunity to have their urine checked for protein and sugar. Dr. Bozuwa and I completed physical examinations on all 3rd, 5th and 7th graders. A small percentage failed these screening procedures and were referred to specialists.

Several children were transported to the local immunization clinic at Dr. Bozuwa's office. With the help of the Wolfeboro VNA, nearly every Wakefield school child has had their immunizations updated to meet State requirements. Tuberculin skin tests were also done on several pre-schoolers, school children and staff members; all tests were negative.

A pre-school vision and hearing clinic was held in the fall in cooperation with the Maternal Child Division of Public Health. Two children were referred and treated. The kindergarten children and other five year olds were pre-registered and routinely screened in May in preparation for first grade.

The health curriculum developed in September was implemented at all grade levels by classroom teachers and myself. The areas stressed are as follows: general health and hygiene, drug and alcohol abuse, effects of smoking, nutrition, human relations, venereal disease, first aid and safety, and elementary anatomy and physiology. The Heimlich Maneuver, used to relieve airway obstruction, was taught to all 6th, 7th and 8th graders. A cardiopulmonary resuscitation course was offered to the 8th graders; six students mastered the course and became certified by the Red Cross.

Wakefield can be proud of its comprehensive dental program. Children in grades 1-5 participated in daily brushing, flossing and a weekly fluoride rinse program. All children at Paul, Union and Community Kindergarten were given the opportunity to participate in the State dental cleaning and fluoride application program. Mrs. Coreen Smith was our State dental hygienist and she serviced 239 children. Twenty-three of these children received dental treatment by Dr. Wilson through a State Matching Fund program. Through the generous support of the Wakefield School Board, the Womens' Club, the Lions' Club and the VFW, these dental services were offered to children at much less than actual cost or at no charge to families unable to afford the fee.

Certain communicable diseases have always been prevalent in public schools. We experienced an outbreak of chicken pox in the late spring and several cases of strep throat in the winter. Cases of mononucleosis, pediculosis and scabies were minimal.

Giving first aid and caring for children with complaints consumes most of the time in a school nurses' day; 1,976 interventions of varying degrees occurred during the school year. Numerous conferences with parents, students, school personnel, or agencies occurred during the year.

I wish to express thanks and appreciation to many individuals and organizations: volunteer parents, the Wakefield School Board, the school administrator and staff, the Wakefield Lions' Club, Dr. Richard Wilson, Dr. Bozuwa and the Wolfeboro VNA.

I compliment the Wakefield School District on an excellent health program for our children and I am proud to be a part of it.

Respectfully submitted,
JANICE STANLEY, R.N.
